CUSTOMISABLE SPONSORSHIP OPTIONS

All sponsorship packages and additional opportunities are flexible and customisable. We would be pleased to tailor a package based on your organisation's objectives, budget, preferred level of visibility, number of representatives, and delegate-engagement requirements.

WHY PARTNER WITH OTS PERTH 2026?

- Connect with leading researchers, clinicians, and industry professionals
- Increase visibility within the oligonucleotide and RNA therapeutics community
- Showcase products, services, and capabilities to targeted delegates
- Support innovation, collaboration, and scientific advancement across Australia and New Zealand
- Build meaningful relationships with academic and industry stakeholders

BECOME A SPONSOR

We would be delighted to welcome your organisation as a sponsor of this important regional meeting. Please contact us to discuss the most suitable package or to request a customised sponsorship arrangement.
